## INTRODUCTION

The following report lists key bills passed by the 2014 General Assembly. The current status of the bill is shown after the bill summary. If the status says "Approved by the Governor-Chapter xx (effective mm/dd/yy)" then the bill has completed the process and takes effect on the date listed – generally July 1, 2014. If the status says "Governor's Amendments Received by the House/Senate" then the bill has been returned to either the House or the Senate in the form as amended by the Governor. Joint Resolutions do not go to the Governor and are approved once the Speaker of the House and President of the Senate have signed them. Some of these provisions will require a change in local codes and ordinances while others are applicable upon their effective date without action by localities. Much depends upon the structure of local codes so local government attorneys should be consulted early and often in this process. The bill numbers are hyperlinked to the bill text on the General Assembly website. These are listed by bill number; however chapter numbers in Acts of Assembly bear no relationship to the bill numbers.

This report is produced as a direct service to the members of the Virginia Chapter of the American Planning Association and paid for by the members' dues.

American Planning Association  
**Virginia Chapter**

*Making Great Communities Happen*

### **Our Mission:**

The mission of APA Virginia is to promote planning as the foundation for effectively addressing the physical, economic, and social changes taking place in Virginia. The Chapter is committed to promote awareness about planning's many benefits, through effective leadership in order to enhance our practice throughout the Commonwealth.

### **Who We Are:**

APA Virginia is over 1,500 practicing professionals from the public and private sector, as well as academics and students. The American Planning Association (APA) is a nonprofit public interest and research organization committed to urban, suburban, regional, and rural planning. APA and its professional institute, the American Institute of Certified Planners (AICP), advance the art and science of planning to meet the needs of people and society.

### **Making Great Communities Happen:**

APA Virginia will support state-level planning policies that make Virginia and its communities the best place to live, work and play. Sound planning offers a key to making Virginia the best place it can be for all Virginians. Every region requires planning that promotes good jobs in livable communities. Faster growing regions have the added need for planning that recognizes pressures that are unprecedented in Virginia's history. Good planning actively involves the people of a community in the process; it combines their input on what is "valuable" for a good community with the technical facts brought by professionals and scientists. Sound planning includes an understanding of the differences between technical and value judgments and blends both appropriately to recommend a direction that moves a community toward the best place it can be for its citizens.

# Energy and Environment

## Energy Efficiency

### **[HB 614](#) Landlord and tenant law; energy submetering, local government fees.**

*Chief patron:* Miller

Provides that in lieu of increasing the rent, the owner, manager, or operator of a commercial or residential building or campground may employ a program that utilizes a mathematical formula for allocating the actual or anticipated local government fees billed to the building or campground owner among the tenants in such building or campground. Such owner, manager, or operator of a commercial or residential building or campground may also charge and collect from each tenant additional service charges, including monthly billing fees, account set-up fees, or account move-out fees, to cover the actual costs of administrative expenses for administration of such a program. If the building is residential and is subject to the Virginia Residential Landlord and Tenant Act, such local government fees and administrative expenses shall be deemed to be rent. The bill defines the term "local government fees" as any local government charges or fees assessed against a commercial or residential building or campground for stormwater, recycling, trash collection, elevator testing, fire or life safety testing, or residential rental inspection programs.

Approved by Governor-Chapter 501 (effective 7/1/14)

### **[HB 796](#) Virginia Energy Plan; postpones due date for quadrennial updates.**

*Chief patron:* Lopez

Postpones the due date for quadrennial updates to the Virginia Energy Plan from July 1 to October 1. This bill is identical to [SB 514](#) (*Wagner*).

Approved by Governor-Chapter 419 (effective 7/1/14)

### **[HB 822](#) Electric utility regulation; renewable energy portfolio standard program.**

*Chief patron:* Lopez

Limits the ability of an electric utility participating in the renewable energy portfolio standard (RPS) program to bank renewable energy sales or renewable energy certificates (RECs) that are in excess of the yearly sales requirement for that RPS Goal. The measure provides that the utility may use such excess sales or RECs to achieve the RPS Goals only in the subsequent five calendar years after the renewable energy was generated or the certificates were created. An electric utility may continue to apply RECs that it acquired prior to January 1, 2014.

Approved by Governor-Chapter 420 (effective 7/1/14)

**HB 848 Electric utility regulation; recovery of costs of new underground distribution facilities.**

*Chief patron:* Loupassi

Authorizes investor-owned electric utilities to recover the costs of new underground distribution facilities through a rate adjustment clause. Eligible facilities will replace existing overhead distribution facilities of 69 kilovolts or less. Petitions seeking approval for recovery of such costs shall not be brought more frequently than annually. A utility shall not seek any annual incremental increase in the level of investments in such facilities that exceeds five percent of the utility's distribution rate base. In determining whether to approve a rate adjustment clause for such facilities, the State Corporation Commission is directed to liberally construe the provisions of Title 56 and to give due consideration to the public policy goals of increased electric service reliability and reduced outage times associated with the replacement of existing overhead distribution facilities with new underground facilities. None of the costs of such new facilities shall be allocated to customers in the large power service rate class for a Phase I utility or general service rate classes for a Phase II utility.

Approved by Governor-Chapter 212 (effective 7/1/14)

**HB 864 Virginia Small Business Financing Authority; definition of eligible business & business enterprise.**

*Chief patron:* Yancey

Expands the definition of an eligible business under the Virginia Small Business Financing Authority to include any for-profit enterprise that exists for the primary purpose of developing or operating a qualified energy project or is required by state or federal law to develop or operate a qualified pollution control project. The definition of a business enterprise is expanded to include any entity acquiring, constructing, improving, maintaining, or operating a qualified energy project or a qualified pollution control project. A qualified energy project is a solar-powered or wind-powered electricity generation facility located in the Commonwealth on premises owned or leased by an eligible customer-generator if the electricity generated from it is sold exclusively to the eligible customer-generator under a power purchase agreement used to provide third party financing of the costs of such a renewable generation facility (third party power purchase agreement) pursuant to a pilot program established under Chapter 382 of the Acts of Assembly of 2013. A qualified pollution control project means environmental pollution control and prevention equipment certified by the business enterprise or eligible business as being needed to comply with the federal Clean Air Act, Clean Water Act, or Resource Conservation and Recovery Act.

Approved by Governor-Chapter 732 (effective 7/1/14)

**HB 1239 Real and personal property taxes; exemption for solar energy equipment, facilities, or devices.**

*Chief patron:* Hugo

Exempts from real and personal property tax business-owned or business-operated solar energy equipment, facilities, or devices that collect, generate, transfer, or store thermal or electric energy. This bill is identical to [SB 418](#) (*Hanger*).

Approved by Governor-Chapter 737 (effective 1/1/15)

**HB 1261 Carbon dioxide; regulating emissions.**

*Chief patron:* Chafin

Requires the Virginia Energy Plan to include, with regard to any regulations proposed or promulgated by the U.S. Environmental Protection Agency to reduce carbon dioxide emissions from fossil fuel-fired electric generating units under Section 37 111(d) of the Clean Air Act, an analysis of the costs and benefits for energy producers and electric utility customers; the effect on energy markets and reliability; and the commercial availability of technology required to comply with such regulations. The measure postpones the due date for quadrennial updates to the Virginia Energy Plan from July 1 to October 1. Interim updates on the Plan are required to be provided by October 1 of the third year of each administration. The measure also requires the Division of Energy of the Department of Mines, Minerals and Energy, in Plan updates starting in 2014, to set forth energy policy positions relevant to any potential regulations of the State Air Pollution Control Board to reduce carbon dioxide emissions from fossil fuel-fired electric generating units under Section 111(d) of the Clean Air Act. The Division is required to address policy options for establishing separate standards of performance for carbon dioxide emissions from existing fossil fuel-fired electric generating units to promote the Plan's overall goal of fuel diversity. The Plan is also required to (i) examine policy options for state regulatory action to adopt less stringent standards or longer compliance schedules than those provided for in applicable federal rules or guidelines and (ii) identify options, to the maximum extent permissible, for any federally required regulation of carbon dioxide emissions from existing fossil fuel-fired electric generating units.

Approved by Governor-Chapter 603 (effective 7/1/14)

**SB 25 Offshore natural gas & oil resources; Va. Offshore Energy Emergency Response Fund, established.**

*Chief patron:* Reeves

Establishes the Virginia Offshore Energy Emergency Response Fund and directs to it the first \$50 million in royalties received by the Commonwealth as the result of offshore natural gas and oil drilling and exploration. Additional revenues and royalties will be applied to maintain the

Fund at \$50 million if moneys are withdrawn from the Fund. After the Fund reaches \$50 million, excess revenues and royalties will be transferred to the general fund annually.

Approved by Governor-Chapter 293 (effective 7/1/14)

**SB 47 Southern States Energy Board; change in membership, alternate appointments.**

*Chief patron:* Watkins

Authorizes each Virginia legislative member of the Board to designate an alternate. The bill also contains technical amendments.

Approved by Governor-Chapter 516 (effective 7/1/14)

**SB 222 Solar panels; community association's authority to prohibit.**

*Chief patron:* Petersen

Clarifies a community association's authority to prohibit or restrict the installation of solar power devices. The provision that bars a community association from prohibiting a property owner from installing or using a solar energy collection device on his property will not apply if the community association's recorded declaration establishes such a prohibition.

Approved by Governor-Chapter 525 (effective 7/1/14)

**SB 498 Electric utility regulation; renewable energy portfolio standard program.**

*Chief patron:* McEachin

Limits the ability of an electric utility participating in the renewable energy portfolio standard (RPS) program to bank renewable energy sales or renewable energy certificates (RECs) that are in excess of the yearly sales requirement for that RPS Goal. The measure provides that the utility may use such excess sales or RECs to achieve the RPS Goals only in the subsequent five calendar years after the renewable energy was generated or the certificates were created. An electric utility may continue to apply RECs that it acquired prior to January 1, 2014.

Approved by Governor-Chapter 465 (effective 7/1/14)

**SB 643 Electric utility regulation; recovery of costs of offshore wind facilities, etc.**

*Chief patron:* McEachin

Limits the portion of the costs incurred by an electric utility between July 1, 2007, and December 31, 2013, in developing an offshore wind facility that are recoverable through a rate adjustment clause to 30 percent of such amount. The remaining 70 percent of such costs may be recovered

through existing base rates as determined by the SCC in the test periods under review in the utility's next biennial review filed after July 1, 2014. All of the costs incurred after December 31, 2013, may be deferred for recovery through a rate adjustment clause as may be approved by the SCC. The measure also states that the planning and development activities for new generation facilities utilizing energy derived from offshore wind are in the public interest.

Approved by Governor-Chapter 550 (effective 7/1/14)

**SB 653 Renewable energy property; grants for placing into service, Renewable Energy Property Grant Fund.**

*Chief patron:* Norment

Establishes, beginning with fiscal year 2016, grants for placing into service renewable energy property. The grant would equal 35 percent of the costs paid or incurred to place the renewable energy property into service, not to exceed \$2.5 million for any individual piece of renewable energy property. The bill provides that grants in excess of 2.5 percent of the total program appropriation for the relevant fiscal year would be paid in three equal calendar year installments. No grant would be awarded for renewable energy property that generated electricity within the 12 months preceding the date of the grant application or renewable energy property paid for by utility ratepayer funds. The bill defines renewable energy as energy derived from sunlight, wind, falling water, biomass, waste, landfill gas, municipal solid waste, wave motion, tides, or geothermal power, but not including energy derived from coal, oil, natural gas, or nuclear power.

The Department of Mines, Minerals and Energy would administer the grant program. The Department would be authorized, subject to appropriation, to award up to \$10 million in renewable energy property grants for fiscal year 2016.

Approved by Governor-Chapter 725 (effective - see bill)

## **Water Resources & Environment**

**HB 131 Chesapeake Bay; voluntary tax contributions for restoration, report.**

*Chief patron:* Lingamfelter

Requires the Secretary of Natural Resources to submit a report to the committees of oversight and the Virginia delegation to the Chesapeake Bay Commission by November 1 of each year describing how the moneys from the voluntary income tax check-off for Chesapeake Bay restoration activities were expended. The bill requires the report to be posted on a website maintained by the Secretary of Natural Resources, along with a cumulative listing of previous grants, beginning with awards granted on or after July 1, 2014. This bill is identical to [SB141 \(Barker\)](#).

Approved by Governor-Chapter 18 (effective 7/1/14)

**HB 445 Administrative Process Act; standard procedures for adoption of waste load allocations.**

*Chief patron:* Bulova

Establishes minimum procedural requirements for the adoption of all waste load allocations, including public notice, public comment opportunity, a stakeholders advisory group process, agency response to comments, and a public meeting. Historically, waste load allocations were established under various procedures on a case-by-case basis. The bill requires that a comprehensive listing of all total maximum daily load waste load allocations adopted or approved by the State Water Control Board prior to July 1, 2014, be set forth in the Water Quality Management Planning Regulation (9VAC25-720). The bill also provides that any amendment prior to July 1, 2025, of the Water Quality Management Planning Regulation waste load allocations for nitrogen or phosphorus related to chlorophyll-a water quality criteria for multiple James River basin facilities shall be undertaken in accordance with the Administrative Process Act.

Approved by Governor-Chapter 202 (effective 7/1/14)

**HB 654 Wetland and stream mitigation banks; hydrologic unit boundaries.**

*Chief patron:* Scott

Allows the use of a hydrologic unit system or dataset other than the National Watershed Boundary Dataset and allows the adjustment of the hydrologic unit boundaries of such dataset based on the availability of more accurate information.

Approved by Governor-Chapter 332 (effective 7/1/14)

**HB 674 Water supplies and waterworks; defines human consumption.**

*Chief patron:* Poindexter

Defines "human consumption" as used in the context of water supplies and waterworks.

Approved by Governor-Chapter 333 (effective 7/1/14)

**HB 856 Hazardous waste; removes requirement that permit is required from DEQ to transport.**

*Chief patron:* Fariss

Removes the requirement that a permit is required from the Department of Environmental Quality to transport hazardous waste. The federal government currently regulates the transporting of hazardous waste.

Governor: Approved by Governor-Chapter 139 (effective 7/1/14)

**HB 968 Brownfield properties; changes definition of bona fide prospective purchaser.**

*Chief patron:* James

Changes the definition of the "bona fide prospective purchaser" of brownfield property to include not only the person who acquires or proposes to acquire ownership of a brownfield property but also the tenant of such person. The bill conforms Virginia's definition with the federal definition.

Approved by Governor-Chapter 144 (effective 7/1/14)

**HB 1006 Probable Maximum Precipitation (PMP); DCR to utilize storm-based approach in order to derive PMP.**

*Chief patron:* Byron

Directs the Department of Conservation and Recreation to utilize a storm-based approach to calculate the Probable Maximum Precipitation (PMP) for various locations in or affecting Virginia. The methodology for a storm-based approach shall be completed by December 1, 2015. Owners of impounding structures with inadequate spillway designs who maintain coverage under the conditional certificate are not required to rehabilitate the spillway until the PMP analysis is completed and reviewed by the Virginia Soil and Water Conservation Board. The bill requires the Board to consider the results of the PMP analysis in its decision of whether to authorize replacement of the current PMP values. The Department of Conservation and Recreation is authorized to expend up to \$500,000 in obligated balances from two agency funds to finance the analysis. The bill contains an emergency clause. This bill is identical to [SB 582](#) (*Garrett*).

EMERGENCY

Approved by Governor-Chapter 475 (effective 4/1/14)

**HB 1034 Dams, certain; liability of owners.**

*Chief patron:* Orrock

Protects owners of land upon which dams that are owned, maintained, or operated by soil and water conservation districts are situated from liability for damages to the property of others or the injury to persons resulting from the failure of the dam. However, this protection is not afforded to the landowner if the damage to others is a result of an act or omission by the landowner that is unrelated to ownership, maintenance, or operation of the dam. This bill is identical to [SB 466](#) (*Watkins*).

Approved by Governor-Chapter 146 (effective 7/1/14)

**HB 1067 Animal shelters; definitions.**

*Chief patron:* Orrock

Substitutes the terms "private animal shelter" for "animal shelter" and "public animal shelter" for "pound." The bill also amends the definitions of "foster care provider," "foster home," and "home-based rescue."

Approved by Governor-Chapter 148 (effective 7/1/14)

**HB 1173 Stormwater management programs; State Water Control Board to establish procedures and regulations.**

*Chief patron:* Hodges

Requires the Department of Environmental Quality to establish a Virginia Stormwater Management Program (VSMP) for any locality that neither opts to establish its own program nor operates a municipal separate storm sewer system (MS4). The bill defers the VSMP requirement for six months for certain recent MS4 localities. The bill alters the permitting appeals process and allows for an agreement in lieu of a stormwater management plan, and it directs the State Water Control Board to adopt regulations relating to the issuance of permits for parcels in subdivisions, the registration of single-family residences, and the reciprocity given by Virginia for proprietary Best Management Practices established elsewhere. The bill exempts single-family residences from payment of the Department's portion of the fee for the state general permit. Finally, the bill provides that the consolidation of state post-construction requirements into Virginia's General Permit shall not modify the scope of enforcement of the federal Clean Water Act and exempts from most requirements of the Administrative Process Act those regulations of the State Water Control Board that will be necessary to implement the act. This bill incorporates HB 58, HB 649, and HB 261 and contains an emergency clause. This bill is identical to [SB 423](#) (*Hanger*).

EMERGENCY

Approved by Governor-Chapter 598 (effective 4/4/14)

**HJ 16 Recurrent flooding; joint subcommittee established to formulate recommendations to address.**

*Chief patron:* Stolle

Establishes an 11-member joint subcommittee to formulate recommendations for the development of a comprehensive and coordinated planning effort to address recurrent flooding. The joint subcommittee is charged with recommending short- and long-term strategies for minimizing the impact of recurrent flooding. The joint subcommittee must submit its report to the Governor and the 2016 Regular Session of the General Assembly. This bill is identical

to [SJR 3](#) (Locke).

Passed

**[SB 431](#) Voluntary Remediation Program; removes cap on registration fees.**

*Chief patron:* Watkins

Removes the \$5,000 cap on registration fees collected by the Department of Environmental Quality from persons conducting voluntary remediation on contaminated properties. The fees defray the costs of administering the voluntary remediation program. The bill also exempts the Virginia Waste Management Board from the regulatory requirements of the Administrative Process Act (APA) so that new regulations needed to adjust the fee schedule will be in place by July 1, 2014. The bill requires any subsequent adjustment to the fee schedule to be in compliance with the APA.

Approved by Governor-Chapter 366 (effective 7/1/14)

**[SJ 35](#) Selenium; Department of Environmental Quality to review toxicity to aquatic life.**

*Chief patron:* Carrico

Requests the Department of Environmental Quality to study the toxicity of selenium to aquatic life.

Passed

**[SJ 61](#) Geomagnetic disturbances & electromagnetic pulses; joint commission to study preventing damages.**

*Chief patron:* Reeves

Directs the Joint Commission on Technology and Science (JCOTS) to study the nature and magnitude of potential threats caused by geomagnetic disturbances and electromagnetic pulses, examine the Commonwealth's vulnerabilities to such threats, and recommend strategies to protect the Commonwealth's infrastructure from geomagnetic disturbances and electromagnetic pulses. The resolution requests that JCOTS report its findings and recommendations no later than the first day of the 2015 Regular Session.

Passed

# Housing and Building Codes

## Building Codes

**[HB 208](#) Vested rights; amends existing statute.**

*Chief patron:* Marshall, D.W.

Amends the existing vested rights statute by clarifying that structures that meet certain conditions shall be considered nonconforming. Additional changes make clear that a requirement under existing law to bring certain structures into compliance with the Uniform Statewide Building Code shall not affect the nonconforming status of those structures.

Approved by Governor-Chapter 648 (effective 7/1/14)

**[SB 31](#) Methamphetamine cleanup; certification that methamphetamine level is at/below post cleanup target.**

*Chief patron:* Stanley

Requires the Board of Health, in consultation with the Department of Environmental Quality and other entities, to establish a program certifying that a building that was previously a methamphetamine manufacturing site is at or below the post cleanup target. Current law requires the convicted person to pay cleanup costs.

Approved by Governor-Chapter 513 (effective 7/1/14)

## Housing

**[HB 225](#) Richmond, City of; reassessment of real estate and equalization.**

*Chief patron:* McQuinn

Allows the City of Richmond by ordinance to provide for a board of equalization or a permanent board of equalization instead of a board of review.

Approved by Governor-Chapter 61 (effective 7/1/14)

**HB 251 Real Estate Board; death or disability of a broker.**

*Chief patron:* Surovell

Requires the Real Estate Board to grant approval to certain persons in a specific order of priority as may be designated by a broker in the event of his disability or death to conclude the business of the broker. Under current law, the Board may grant approval to the estate or an adult family member or employee of the licensed broker. The bill also requires the Real Estate Board to inform licensed brokers, in a manner deemed appropriate by the Board, of the broker's ability to designate an agent in the event of the broker's death or disability. This bill is a recommendation of the Virginia Housing Commission.

Approved by Governor-Chapter 24 (effective 7/1/14)

**HB 259 Real estate licensees; signing of pleadings, motions, and other papers.**

*Chief patron:* Miller

Provides that an allegation that a real estate licensee has engaged in untrue, deceptive, or misleading advertising shall be stated with particularity. This bill is identical to [SB 302 \(McDougle\)](#).

Approved by Governor-Chapter 650 (effective 7/1/14)

**HB 273 Virginia Residential Landlord and Tenant Act; changes applicability, security deposits.**

*Chief patron:* Loupassi

Changes the applicability of the Virginia Residential Landlord Tenant Act from the ownership of no more than 10 single-family residences to ownership of no more than two single-family residences and makes the application uniform across the state. The bill also authorizes a landlord to expedite the disposition of security deposits under certain circumstances and sets the interest rate (0.00%) on security deposits for 2014. The bill repeals the requirement for a landlord to accrue interest on security deposits, effective January 1, 2015.

Approved by Governor-Chapter 651 (effective - see bill)

**HB 312 Civil action; rescission of deed, etc., court may award to plaintiff reasonable attorney fees, etc.**

*Chief patron:* Toscano

Provides that in any civil action to rescind a deed, contract, or other instrument, the plaintiff may be awarded reasonable attorney fees and costs associated with bringing such action where the

court finds, by clear and convincing evidence, that the instrument was obtained by fraud or undue influence on the part of the defendant.

Approved by Governor-Chapter 164 (effective 7/1/14)

**HB 331 First-time home buyer savings plans; established.**

*Chief patron:* Greason

Establishes first-time home buyer savings accounts that are to be used for saving funds for the purchase of homes by first-time home buyers. Moneys in the account are required to be used solely for the down payment and closing costs for the purchase of a home by a first-time home buyer. The bill establishes an individual income tax subtraction for income earned on contributions to the account. However, if moneys are withdrawn from the account for purposes other than to pay eligible costs, any income previously subtracted would be subject to recapture by the Commonwealth and a five percent penalty would be imposed. There would be no recapture and addition to taxable income if the amounts withdrawn were (i) withdrawn because of the death or disability of the account beneficiary, (ii) a disbursement of assets pursuant to a filing for protection under federal bankruptcy laws, or (iii) transferred to another first-time home buyer savings account.

The bill limits the amount of principal that can be contributed to any account to \$50,000 and limits the total amount that can be retained in an account at any time to \$150,000. Persons would be allowed to contribute only cash or marketable securities to a first-time home buyer savings account.

This is a Virginia Housing Commission bill.

Approved by Governor-Chapter 729 (effective 7/1/14)

**HB 530 Condominium and Property Owners' Association Acts; compliance with declaration.**

*Chief patron:* Pogge

Clarifies that an action against the association for noncompliance with all lawful provisions of the Condominium and Property Owners' Association Acts and all provisions of the declaration is not precluded.

Approved by Governor-Chapter 569 (effective 7/1/14)

**HB 550 Condominium & Property Owners' Association Acts; notice for requests to examine association records.**

*Chief patron:* Filler-Corn

Provides that, notwithstanding any provision of law to the contrary, the right of examination of association books and records may be exercised upon five business days' written notice for a professionally managed association and 10 business days' written notice for a self-managed association, which notice reasonably identifies the purpose for the request and the specific books and records of the association requested.

Approved by Governor-Chapter 207 (effective 7/1/14)

**HB 566 Condominium and Property Owners' Association Acts; assessment of late fee not paid within 60 days.**

*Chief patron:* Watts

Clarifies the amount of late fees that may be assessed against an owner for nonpayment of assessments.

Approved by Governor-Chapter 239 (effective 7/1/14)

**HB 791 Condominium and Property Owners' Association Acts; adoption and rule enforcement, appeals.**

*Chief patron:* LeMunyon

Gives associations the right, except to the extent the governing documents expressly provide otherwise, to (i) suspend a unit owner's right to use facilities or services, including utility services, provided directly through the unit owners' association for nonpayment of assessments which are more than 60 days past due, to the extent that access to the unit through the common elements is not precluded and provided that such suspension shall not endanger the health, safety, or property of any unit owner, tenant, or occupant; (ii) assess charges against any unit owner for any violation of the condominium instruments or of the rules or regulations promulgated pursuant thereto for which such unit owner or his family members, tenants, guests or other invitees are responsible; and (iii) file legal action in general district or circuit court to seek an order to require that any violation of the condominium instruments or rules duly adopted pursuant thereto be corrected. The bill provides that the powers authorized in the bill or by the governing documents shall be exercised by an association in good faith and not exercised frivolously, vexatiously, or primarily for purposes of harassment of the owner. The bill further provides that before any action authorized in the bill or in the governing documents is taken and after written notice of the alleged violation to the unit owner at the address required for notices of meetings, the owner shall be given a reasonable opportunity to correct the alleged violation. If the violation remains uncorrected, the owner shall be given further notice and an opportunity to be heard and to be represented by counsel before the board or such other tribunal as the

governing documents or rules duly adopted pursuant thereto specify.

Governor's substitute printed 14105713D-H3 on 4/6/14

**HB 899 Condominium Act; purchaser's right of cancellation.**

*Chief patron:* Peace

Reduces a purchaser's right of cancellation from 10 to five calendar days from the contract date of the disposition or delivery of the current public offering statement, whichever is later. The bill also requires the purchaser's right to cancel the purchase contract to be set forth on the first page of the purchase contract in boldface print of not less than 12 point type.

Approved by Governor-Chapter 215 (effective 7/1/14)

**HB 900 Condominium Act and Property Owners' Association Act; allowable fees, etc.**

*Chief patron:* Peace

Provides that nothing in either Act shall be construed to authorize an association or common interest community manager to charge an inspection fee for a unit or lot unless specifically authorized, nor may an additional fee be charged for access to the association's or common interest community manager's website. The bill provides that if a resale certificate or disclosure packet is provided in electronic format, a total fee not to exceed \$125 is authorized for one electronic copy to each of the following named in the request: the seller, the seller's authorized agent, the purchaser, the purchaser's authorized agent, and not more than one other person designated by the requester.

Approved by Governor-Chapter 216 (effective 7/1/14)

**HB 954 Mortgage loan originators; SCC authorized to issue transitional license.**

*Chief patron:* Hugo

Authorizes the State Corporation Commission (SCC) to issue transitional mortgage loan originator licenses. Such a license allows an individual to engage in business as a mortgage loan originator for a period of no more than 120 days, during which time the individual may fulfill pre-licensing education and written test requirements and apply for a mortgage loan originator license. The SCC may issue a transitional mortgage loan originator license to an individual who is licensed to originate mortgage loans under the laws of another state or, to the extent permitted under the federal Secure and Fair Enforcement for Mortgage Licensing Act, to an individual who was a registered mortgage loan originator within two months prior to the date that the individual applied for a transitional mortgage loan originator license. An individual applying for a transitional mortgage loan originator license is not required to comply with prelicensing education requirements or pass a written test requirement. In addition, the Commission shall not issue a transitional mortgage loan originator license unless it (i) finds that the applicant has never

had a mortgage loan originator license revoked by any governmental authority, has not been convicted of, or pled guilty or nolo contendere to, certain felonies, and has become registered through, and obtained a unique identifier from, the Nationwide Mortgage Licensing System and Registry and (ii) finds that the applicant is employed by a person licensed by the SCC as a mortgage lender or mortgage broker. This bill is identical to [SB 118](#) (*Watkins*).

Approved by Governor-Chapter 343 (effective 7/1/14)

**[HB 990](#) Relocation Assistance & Real Property Acquisition Policies; replacement housing for homeowners, etc.**

*Chief patron:* Fowler

Provides that relocation assistance and real property acquisition policies of the Commonwealth apply in the case of transportation projects funded in whole or in part with state or federal funds unless compliance would jeopardize the receipt and expenditure of all or a portion of federal funds that would otherwise be available for transportation projects.

The bill also raises the authorized payment to a displaced homeowner from \$22,500 to \$31,000 and reduces from 180 to 90 the number of days that may pass between displacement and negotiations for the acquisition of property before such payment is authorized. The bill also increases from \$5,250 to \$7,200 the maximum payment permitted to a person leasing or renting a comparable replacement dwelling for a period of 42 months. The provisions of the bill relating to such payments and time period have a delayed effective date of October 1, 2014.

Approved by Governor-Chapter 218 (effective 7/1/14)

**[SB 68](#) Real estate; delinquent taxes.**

*Chief patron:* Marsh

Changes, under certain circumstances, the criteria for transferring certain tax-delinquent real property to localities through a special commissioner in the Cities of Norfolk, Richmond, Hopewell, Newport News, Petersburg, Lynchburg, and Hampton by reducing the percentage of taxes and liens from exceeding 35 percent to 20 percent and of taxes alone from 15 percent to 10 percent, respectively, and including parcels with an assessed value of \$100,000 or less. The reduced criteria apply only if the locality enters into an agreement to sell the property to a nonprofit entity to renovate or construct housing to be sold to a low-income person.
